## Pointed Paragraphs.

If you leap before you look, you look foolish A girl's ideal of a step-mother is one she can't boss. Still, a woman's vanity isn't with a man's conceit. Pride may go before a fall even when a girl falls in love. An egotist is a man who is better than you are. One of the first things a young man should learn is to take a hint. A man isn't necessarily a coward because he is afraid of consequences. That girl who admitted she was weight, exclusive of the rifle. Thus equiptwenty-five in 1900 must be nearly ped with all the outfit of an infantrythirty by this time. There's no power in knowledge unless you know how to put on the lute of a private soldier to the officers harness and hitch up. Some women lose faith in the ef-Judging from their actions, a man the regulations, on the regimental roll sometimes wonders if his friends are as "Private Nicholas Romanoff, married, not enemies in disguise.
